range

product code

description

applications

175 joules impact resistance

50 classic semi-recessed

module diffuser

supply unit

hermetically sealed light module cassette

security torx tamper-proof fasteners

SVR050CLA-SRE2900-DA2835080-BLK

Direct-fix or recessed butterfly bracket

1.0 m circular flex connection

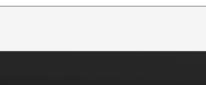

Internal stainless steel wire safety lanyards

custodial, public areas, and secure healthcare

Heavy-gauge extruded aluminium mounting base with durable polyester

Impact-resistant UV-stabilised high-transmission polycarbonate light

Internal socket drive security-torx 304 stainless steel security fasteners Integral energy efficient Zhaga compliant Tridonic LED modules and power

extremely robust semi-recessed mount luminaire that enhances safety

ensures dependable operation and superior performance under harsh operating conditions; ideal for applications such as transportation,

and security in the most challenging environments. a durable construction

Serviceable replaceable and upgradable light module cassette

powder coat finish and impact-resistant GRP security caps

country of origin Australia

accreditations

Australian Made and Owned DALI Alliance EESS RCM

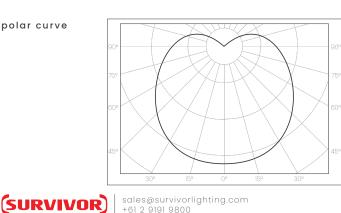

warranty

7-year standard 10-year on application
