| range        | 50 classic suspended  | ľ |
| product code | SVR050CLA-SUS1800-FXD840060-BLK   | I |
| description  | Heavy-gauge extruded aluminium mounting base with durable polyester powder coat finish and impact-resistant GRP security caps | , |
|              | Impact-resistant UV-stabilised high-transmission polycarbonate light<br>module diffuser                                       | - |
|              | Serviceable replaceable and upgradable light module cassette  |   |
|              | Internal socket drive security-torx 304 stainless steel security fasteners  |   |
|              | Integral energy efficient Zhaga compliant Tridonic LED modules and power supply unit  | : |
|              | Heavy-gauge stainless steel wire suspensions  |   |
|              | Internal stainless steel wire safety lanyards   | , |
|              | 1.0 m circular flex connection  | I |

applications extremely robust suspended mount luminaire that enhances safety and security in the most challenging environments. a durable construction ensures dependable operation and superior performance under harsh operating conditions; ideal for applications such as transportation, custodial, public areas, and secure healthcare
