description

applications

polar curve

125 joules impact resistance

50 eco naked

module diffuser

supply unit

healthcare

Direct-fix surface mounted 1.0 m circular flex connection

hermetically sealed light module cassette

security torx tamper-proof fasteners

SVR050ECO-NKD0500-DA2835080-BLK

Aluminium mounting bracket with durable polyester powder coat finish Impact-resistant UV-stabilised high-transmission polycarbonate light

Internal socket drive security-torx 304 stainless steel security fasteners

Integral energy efficient Zhaga compliant Tridonic LED modules and power

highly robust surface mounted luminaire that enhances safety and security

for applications such as transportation, custodial, public areas, and secure

in challenging environments. a durable construction ensures dependable operation and superior performance under harsh operating conditions; ideal

Serviceable replaceable and upgradable light module cassette

(0)

country of origin Australia

accreditations

Australian Made and Owned DALI Alliance EESS RCM

warranty

7-year standard 10-year on application
