AT06

125 joules impact resistance hermetically sealed light module cassette security torx tamper-proof fasteners

range	50 eco naked
product code	SVR050ECO-NKD1200-DA2840060-WHT
description	Aluminium mounting bracket with durable polyester powder coat finish Impact-resistant UV-stabilised high-transmission polycarbonate light module diffuser
	Serviceable replaceable and upgradable light module cassette Internal socket drive security-torx 304 stainless steel security fasteners Integral energy efficient Zhaga compliant Tridonic LED modules and power supply unit Direct-fix surface mounted

1.0 m circular flex connection

applications highly robust surface mounted luminaire that enhances safety and security in challenging environments. a durable construction ensures dependable operation and superior performance under harsh operating conditions; ideal for applications such as transportation, custodial, public areas, and secure healthcare

polar curve

accreditations

Australian Made and Owned DALI Alliance EESS RCM

warranty

7-year standard 10-year on application
