| | description | Aluminium mounting bracket with durable polyester powder coat finish | | | |
| | | Impact-resistant UV-stabilised high-transmission polycarbonate light module diffuser | | | |
| | | Serviceable replaceable and upgradable light module cassette | W 7- | | |
| | | Internal socket drive security-torx 304 stainless steel security fasteners | | | |
| | | Integral energy efficient Zhaga compliant Tridonic LED modules and power supply unit | 10 | | |
| | | Direct-fix surface mounted | | | |
| | | 1.0 m circular flex connection | s | | |
| | | | | | |

applications highly robust surface mounted luminaire that enhances safety and security in challenging environments. a durable construction ensures dependable operation and superior performance under harsh operating conditions; ideal for applications such as transportation, custodial, public areas, and secure healthcare
