50 eco semi-recessed

125 joules impact resistance

| product code | SVR050ECO-SRE0700-DA2865040-WHT   |
|--------------|---|
| description  | Extruded aluminium mounting base with durable polyester powder coat finish and impact-resistant GRP security caps |
|              | Impact-resistant UV-stabilised high-transmission polycarbonate light<br>module diffuser                           |
|              | Serviceable replaceable and upgradable light module cassette  |
|              | Internal socket drive security-torx 304 stainless steel security fasteners  |
|              | Integral energy efficient Zhaga compliant Tridonic LED modules and power supply unit                              |
|              | Direct-fix or recessed butterfly bracket  |
|              | Internal stainless steel wire safety lanyards   |
|              | 1.0 m circular flex connection  |
|              |   |

applications highly robust semi-recessed luminaire that enhances safety and security in challenging environments. a durable construction ensures dependable operation and superior performance under harsh operating conditions; ideal for applications such as transportation, custodial, public areas, and secure healthcare
