IP 6 6	hermetically sealed light module cassette
A T 0 6	security torx tamper-proof fasteners

125 joules impact resistance

range	50 eco semi-recessed		
product code	SVR050ECO-SRE0700-DA2927040-WHT		
description	Extruded aluminium mounting base with durable polyester powder coat finish and impact-resistant GRP security caps		
	Impact-resistant UV-stabilised high-transmission polycarbonate light module diffuser		
	Serviceable replaceable and upgradable light module cassette		
	Internal socket drive security-torx 304 stainless steel security fasteners		
	Integral energy efficient Zhaga compliant Tridonic LED modules and power supply unit		
	Direct-fix or recessed butterfly bracket		
	Internal stainless steel wire safety lanyards		
	1.0 m circular flex connection		

applications highly robust semi-recessed luminaire that enhances safety and security in challenging environments. a durable construction ensures dependable operation and superior performance under harsh operating conditions; ideal for applications such as transportation, custodial, public areas, and secure healthcare
