# $(\cdot \cdot)$ (0) IK15 country of origin 125 joules impact resistance Australia IP66 hermetically sealed light module cassette AT06 security torx tamper-proof fasteners accreditations

Australian Made and Owned range 50 eco semi-recessed EESS SVR050ECO-SRE1000-FXD940080-WHT RCM product code description Extruded aluminium mounting base with durable polyester powder coat finish and impact-resistant GRP security caps Impact-resistant UV-stabilised high-transmission polycarbonate light warranty module diffuser 7-year standard Serviceable replaceable and upgradable light module cassette 10-year on application Internal socket drive security-torx 304 stainless steel security fasteners Integral energy efficient Zhaga compliant Tridonic LED modules and power supply unit Direct-fix or recessed butterfly bracket standards Internal stainless steel wire safety lanyards AS/NZS 60598.1:2017 1.0 m circular flex connection AS/NZS 60598.2.1:2014

applications highly robust semi-recessed luminaire that enhances safety and security in challenging environments. a durable construction ensures dependable operation and superior performance under harsh operating conditions; ideal for applications such as transportation, custodial, public areas, and secure healthcare
