Australian Made and Owned

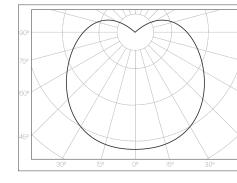

IK15 125 joules impact resistance IP66 hermetically sealed light module cassette

AT06 security torx tamper-proof fasteners

| range | 50 eco semi-recessed |
|--------------|---|
| product code | SVR050ECO-SRE2400-FXD850100-BLK |
| description | Extruded aluminium mounting base with durable polyester powder coat finish and impact-resistant GRP security caps |
| | Impact-resistant UV-stabilised high-transmission polycarbonate light module diffuser |
| | Serviceable replaceable and upgradable light module cassette |
| | Internal socket drive security-torx 304 stainless steel security fasteners |
| | Integral energy efficient Zhaga compliant Tridonic LED modules and power supply unit |
| | Direct-fix or recessed butterfly bracket |
| | Internal stainless steel wire safety lanyards |
| | 1.0 m circular flex connection |

applications highly robust semi-recessed luminaire that enhances safety and security in challenging environments. a durable construction ensures dependable operation and superior performance under harsh operating conditions; ideal for applications such as transportation, custodial, public areas, and secure healthcare
