| IP66 | hermetically sealed light module cassette | Australia | | |
| AT06 | security torx tamper-proof fasteners | | | |
| | | accreditations | | |
| range | 50 eco semi-recessed | Australian Made and Owned EESS | | |
| product code | SVR050ECO-SRE2600-FXD865100-WHT | RCM | | |
| description | Extruded aluminium mounting base with durable polyester powder coat finish and impact-resistant GRP security caps | | | |
| | Impact-resistant UV-stabilised high-transmission polycarbonate light module diffuser | warranty | | |
| | Serviceable replaceable and upgradable light module cassette | 7-year standard | | |
| | Internal socket drive security-torx 304 stainless steel security fasteners | 10-year on application | | |
| | Integral energy efficient Zhaga compliant Tridonic LED modules and power supply unit | | | |
| | Direct-fix or recessed butterfly bracket | | | |
| | Internal staipless steel wire safety lanyards | standards | | |

applications highly robust semi-recessed luminaire that enhances safety and security in challenging environments. a durable construction ensures dependable operation and superior performance under harsh operating conditions; ideal for applications such as transportation, custodial, public areas, and secure healthcare

polar curve

Internal stainless steel wire safety lanyards

1.0 m circular flex connection
