

## 50 eco suspended - SVR050ECO-SUS1200-FXD865060-BLK

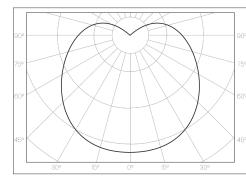

| IK15  | 125 joules impact resistance              |
|-------|---|
| IP66  | hermetically sealed light module cassette |
| AT06  | security torx tamper-proof fasteners      |
|       |   |
|       |   |
| range | 50 eco suspended                          |

| product code | SVR050ECO-SUS1200-FXD865060-BLK   |  |  |  |
|--------------|---|--|--|--|
| description  | Extruded aluminium mounting base with durable polyester powder coat finish and impact-resistant GRP security caps |  |  |  |
|              | Impact-resistant UV-stabilised high-transmission polycarbonate light<br>module diffuser                           |  |  |  |
|              | Serviceable replaceable and upgradable light module cassette  |  |  |  |
|              | Internal socket drive security-torx 304 stainless steel security fasteners  |  |  |  |
|              | Integral energy efficient Zhaga compliant Tridonic LED modules and power supply unit                              |  |  |  |
|              | Heavy-gauge stainless steel wire suspensions  |  |  |  |
|              | Internal stainless steel wire safety lanyards   |  |  |  |
|              | 1.0 m circular flex connection  |  |  |  |

applications highly robust suspended luminaire that enhances safety and security in challenging environments. a durable construction ensures dependable operation and superior performance under harsh operating conditions; ideal for applications such as transportation, custodial, public areas, and secure healthcare
