125 joules impact resistance	country of origin Australia		
hermetically sealed light module cassette			
security torx tamper-proof fasteners			
	accreditations		
50 eco suspended	Australian Made and Owned EESS		
SVR050ECO-SUS1500-FXD835020-BLK	RCM		
Extruded aluminium mounting base with durable polyester powder coat finish and impact-resistant GRP security caps			
Impact-resistant UV-stabilised high-transmission polycarbonate light module diffuser	warranty 7-year standard		
Serviceable replaceable and upgradable light module cassette			
Internal socket drive security-torx 304 stainless steel security fasteners	10-year on application		
Integral energy efficient Zhaga compliant Tridonic LED modules and power supply unit			
Heavy-gauge stainless steel wire suspensions			
Internal stainless steel wire safety lanyards	standards		
	hermetically sealed light module cassette security torx tamper-proof fasteners 50 eco suspended 50 eco suspended 50 eco SUSI500-FXD835020-BLK Extruded aluminium mounting base with durable polyester powder coat finish and impact-resistant GRP security caps Impact-resistant UV-stabilised high-transmission polycarbonate light module diffuser Serviceable replaceable and upgradable light module cassette Internal socket drive security-torx 304 stainless steel security fasteners Integral energy efficient Zhaga compliant Tridonic LED modules and power supply unit Heavy-gauge stainless steel wire suspensions		

1.0 m circular flex connection

applications highly robust suspended luminaire that enhances safety and security in challenging environments. a durable construction ensures dependable operation and superior performance under harsh operating conditions; ideal for applications such as transportation, custodial, public areas, and secure healthcare
