AT06	security torx tamper-proof fasteners
range	50 eco suspended
product code	SVR050ECO-SUS1800-DA2835040-BLK
description	Extruded aluminium mounting base with durable poly finish and impact-resistant GRP security caps

hermetically sealed light module cassette

125 joules impact resistance

criptionExtruded aluminium mounting base with durable polyester powder coat
finish and impact-resistant GRP security capsImpact-resistant UV-stabilised high-transmission polycarbonate light
module diffuserServiceable replaceable and upgradable light module cassette
Internal socket drive security-torx 304 stainless steel security fasteners
Integral energy efficient Zhaga compliant Tridonic LED modules and power
supply unit
Heavy-gauge stainless steel wire suspensions
Internal stainless steel wire safety lanyards

1.0 m circular flex connection

applications highly robust suspended luminaire that enhances safety and security in challenging environments. a durable construction ensures dependable operation and superior performance under harsh operating conditions; ideal for applications such as transportation, custodial, public areas, and secure healthcare
