

50 eco suspended - SVR050ECO-SUS2100-FXD827060-BLK

125 joules impact resistance	country of origin Australia		
hermetically sealed light module cassette			
security torx tamper-proof fasteners			
	accreditations		
50 eco suspended	Australian Made and Owned EESS		
SVR050ECO-SUS2100-FXD827060-BLK	RCM		
Extruded aluminium mounting base with durable polyester powder coat finish and impact-resistant GRP security caps			
Impact-resistant UV-stabilised high-transmission polycarbonate light module diffuser	warranty		
Serviceable replaceable and upgradable light module cassette	7-year standard		
	hermetically sealed light module cassette security torx tamper-proof fasteners 50 eco suspended SVR050ECO-SUS2100-FXD827060-BLK Extruded aluminium mounting base with durable polyester powder coat finish and impact-resistant GRP security caps Impact-resistant UV-stabilised high-transmission polycarbonate light module diffuser		

Internal socket drive security-torx 304 stainless steel security fasteners Integral energy efficient Zhaga compliant Tridonic LED modules and power supply unit Heavy-gauge stainless steel wire suspensions Internal stainless steel wire safety lanyards

1.0 m circular flex connection

applications highly robust suspended luminaire that enhances safety and security in challenging environments. a durable construction ensures dependable operation and superior performance under harsh operating conditions; ideal for applications such as transportation, custodial, public areas, and secure healthcare
