| description | Extruded aluminium mounting base with durable polyester powder coat finish and impact-resistant GRP security caps | | | | | |
| | Impact-resistant UV-stabilised high-transmission polycarbonate light module diffuser | warranty | | | | |
| | Serviceable replaceable and upgradable light module cassette | 7-year standard | | | | |
| | Internal socket drive security-torx 304 stainless steel security fasteners | 10-year on application | | | | |

Integral energy efficient Zhaga compliant Tridonic LED modules and power supply unit Heavy-gauge stainless steel wire suspensions Internal stainless steel wire safety lanyards

1.0 m circular flex connection

applications highly robust suspended luminaire that enhances safety and security in challenging environments. a durable construction ensures dependable operation and superior performance under harsh operating conditions; ideal for applications such as transportation, custodial, public areas, and secure healthcare
