

50 eco suspended - SVR050ECO-SUS2400-FXD940100-WHT

| IK15 | 125 joules impact resistance |
|---------|-------------------------------------------|
| IP66 | hermetically sealed light module cassette |
| A T O 6 | security torx tamper-proof fasteners |
| | |
| | |

50 eco suspended

| product code | SVR050ECO-SUS2400-FXD940100-WHT | | | |
|--------------|-------------------------------------------------------------------------------------------------------------------|--|--|--|
| description | Extruded aluminium mounting base with durable polyester powder coat finish and impact-resistant GRP security caps | | | |
| | Impact-resistant UV-stabilised high-transmission polycarbonate light module diffuser | | | |
| | Serviceable replaceable and upgradable light module cassette | | | |
| | Internal socket drive security-torx 304 stainless steel security fasteners | | | |
| | Integral energy efficient Zhaga compliant Tridonic LED modules and power supply unit | | | |
| | Heavy-gauge stainless steel wire suspensions | | | |
| | Internal stainless steel wire safety lanyards | | | |
| | 1.0 m circular flex connection | | | |

applications highly robust suspended luminaire that enhances safety and security in challenging environments. a durable construction ensures dependable operation and superior performance under harsh operating conditions; ideal for applications such as transportation, custodial, public areas, and secure healthcare
