hermetically sealed light module cassette security torx tamper-proof fasteners

| range | 100 classic cornice |
|--------------|--|
| product code | SVR100CLA-COR2100-FXD840060-BLK |
| description | Heavy-gauge extruded aluminium mounting base and security caps with durable polyester powder coat finish |
| | Impact-resistant UV-stabilised high-transmission polycarbonate light module diffuser |
| | Serviceable replaceable and upgradable light module cassette |
| | Internal socket drive security-torx 304 stainless steel security fasteners |
| | Integral energy efficient Zhaga compliant Tridonic LED modules and power supply unit |
| | Direct-fix surface mounted |
| | Internal stainless steel wire safety lanyards |
| | 1.0 m circular flex connection |

applications extremely robust surface mounted luminaire that enhances safety and security in the most challenging environments. a durable construction ensures dependable operation and superior performance under harsh operating conditions; ideal for applications such as transportation, custodial, public areas, and secure healthcare
