100 classic naked - SVR100CLA-NKD0500-DA2850020-WHT

IK17

IP66

AT06

range

product code

description

applications

polar curve

175 joules impact resistance

100 classic naked

coat finish

supply unit

Direct-fix surface mounted 1.0 m circular flex connection

module diffuser

hermetically sealed light module cassette

security torx tamper-proof fasteners

SVR100CLA-NKD0500-DA2850020-WHT

Heavy-gauge aluminium mounting bracket with durable polyester powder

Impact-resistant UV-stabilised high-transmission polycarbonate light

Internal socket drive security-torx 304 stainless steel security fasteners

extremely robust surface mounted luminaire that enhances safety and security in the most challenging environments. a durable construction

ensures dependable operation and superior performance under harsh

operating conditions; ideal for applications such as transportation,

Integral energy efficient Zhaga compliant Tridonic LED modules and power

Serviceable replaceable and upgradable light module cassette

country of origin Australia

accreditations

Australian Made and Owned DALI Alliance EESS RCM

warranty

7-year standard 10-year on application
