Australia		

	Australian Made and Owned
100 classic naked	EESS
SVR100CLA-NKD1500-FXD835100-WHT	RCM
Heavy-gauge aluminium mounting bracket with durable polyester powder coat finish	
Impact-resistant UV-stabilised high-transmission polycarbonate light module diffuser	warranty
Serviceable replaceable and upgradable light module cassette	7-year standard
Internal socket drive security-torx 304 stainless steel security fasteners	10-year on application

Internal socket drive security-torx 304 stainless steel security fasteners Integral energy efficient Zhaga compliant Tridonic LED modules and power supply unit Direct-fix surface mounted

1.0 m circular flex connection

applications extremely robust surface mounted luminaire that enhances safety and security in the most challenging environments. a durable construction ensures dependable operation and superior performance under harsh operating conditions; ideal for applications such as transportation, custodial, public areas, and secure healthcare

### dimensions [mm]

L - length	1500
W - width	105
H - height	85

#### mounting

type	surface mounted
method	direct-fix or wall bracket
orientation	horizontal or vertical burning position

#### mounting bracket

material	aluminium security mounting bracket
finish	white texture polyester powder coat

#### light module cassette

material	high-transmission + uv-stabilised extruded polycarbonate [hermetically sealed]
finish	clear reeded

#### maximum circuit breaker loads

mains surge protection [L/N-PE]

conductor size	1.5mm <sup>2</sup>		2.5mm <sup>2</sup>		1.5mm²		2.5mm <sup>2</sup>
