| IP66 | hermetically sealed light module cassette |
|------|---|
| AT06 | security torx tamper-proof fasteners |

175 joules impact resistance

| range | 100 classic naked |
|--------------|---|
| product code | SVR100CLA-NKD1800-FXD927020-WHT |
| description | Heavy-gauge aluminium mounting bracket with durable polyester powder coat finish |
| | Impact-resistant UV-stabilised high-transmission polycarbonate light module diffuser |
| | Serviceable replaceable and upgradable light module cassette |
| | Internal socket drive security-torx 304 stainless steel security fasteners |
| | Integral energy efficient Zhaga compliant Tridonic LED modules and power supply unit |
| | Direct-fix surface mounted |
| | 1.0 m circular flex connection |
| | |

applications extremely robust surface mounted luminaire that enhances safety and security in the most challenging environments. a durable construction ensures dependable operation and superior performance under harsh operating conditions; ideal for applications such as transportation, custodial, public areas, and secure healthcare
