100 classic semi-recessed - SVR100CLA-SRE0500-DA2840080-WHT

IK17

IP66

175 joules impact resistance hermetically sealed light module cassette

- AT06 security torx tamper-proof fasteners
- 100 classic semi-recessed range SVR100CLA-SRE0500-DA2840080-WHT product code description Heavy-gauge extruded aluminium mounting base with durable polyester powder coat finish and impact-resistant GRP security caps Impact-resistant UV-stabilised high-transmission polycarbonate light module diffuser Serviceable replaceable and upgradable light module cassette Internal socket drive security-torx 304 stainless steel security fasteners Integral energy efficient Zhaga compliant Tridonic LED modules and power supply unit Direct-fix or recessed butterfly bracket
 - Internal stainless steel wire safety lanyards
 - 1.0 m circular flex connection

applications extremely robust semi-recessed luminaire that enhances safety and security in the most challenging environments. a durable construction ensures dependable operation and superior performance under harsh operating conditions; ideal for applications such as transportation, custodial, public areas, and secure healthcare
