IK17	175 joules impact resistance						
IP66	hermetically sealed light module cassette						
A T 0 6	security torx tamper-proof fasteners						

range	100 classic suspended
product code	SVR100CLA-SUS1000-DA2830080-BLK
description	Heavy-gauge extruded aluminium m

```
mounting base with durable polyester
powder coat finish and impact-resistant GRP security caps
Impact-resistant UV-stabilised high-transmission polycarbonate light
module diffuser
Serviceable replaceable and upgradable light module cassette
Internal socket drive security-torx 304 stainless steel security fasteners
Integral energy efficient Zhaga compliant Tridonic LED modules and power
supply unit
Heavy-gauge stainless steel wire suspensions
Internal stainless steel wire safety lanyards
```

1.0 m circular flex connection

applications extremely robust suspended luminaire that enhances safety and security in the most challenging environments. a durable construction ensures dependable operation and superior performance under harsh operating conditions; ideal for applications such as transportation, custodial, public areas, and secure healthcare
