

## 100 classic suspended - SVR100CLA-SUS2400-DA2940060-WHT

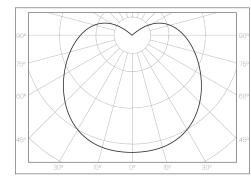

| IK17 | 175 joules impact resistance              |  |  |  |  |  |
|------|---|--|--|--|--|--|
| IP66 | hermetically sealed light module cassette |  |  |  |  |  |
| AT06 | security torx tamper-proof fasteners      |  |  |  |  |  |

| range        | 100 classic suspended   |  |  |  |
|--------------|---|--|--|--|
| product code | SVR100CLA-SUS2400-DA2940060-WHT   |  |  |  |
| description  | Heavy-gauge extruded aluminium mounting base with durable polyester powder coat finish and impact-resistant GRP security caps |  |  |  |
|              | Impact-resistant UV-stabilised high-transmission polycarbonate light<br>module diffuser                                       |  |  |  |
|              | Serviceable replaceable and upgradable light module cassette  |  |  |  |
|              | Internal socket drive security-torx 304 stainless steel security fasteners  |  |  |  |
|              | Integral energy efficient Zhaga compliant Tridonic LED modules and power supply unit  |  |  |  |
|              | Heavy-gauge stainless steel wire suspensions  |  |  |  |
|              | Internal stainless steel wire safety lanyards   |  |  |  |

1.0 m circular flex connection

applications extremely robust suspended luminaire that enhances safety and security in the most challenging environments. a durable construction ensures dependable operation and superior performance under harsh operating conditions; ideal for applications such as transportation, custodial, public areas, and secure healthcare
