IK15

IP66

AT06

125 joules impact resistance

hermetically sealed light module cassette

security torx tamper-proof fasteners

country of origin Australia

		Australian Made	
range	100 eco naked	EESS	
product code	SVR100ECO-NKD0700-FXD865100-WHT	RCM	
description	Aluminium mounting bracket with durable polyester powder coat finish		
	Impact-resistant UV-stabilised high-transmission polycarbonate light module diffuser	warranty 7-year standarc 10-year on appl	
	Serviceable replaceable and upgradable light module cassette Internal socket drive security-torx 304 stainless steel security fasteners Integral energy efficient Zhaga compliant Tridonic LED modules and power supply unit		
	Direct-fix surface mounted		
	1.0 m circular flex connection	standards	

applications highly robust surface mounted luminaire that enhances safety and security in challenging environments. a durable construction ensures dependable operation and superior performance under harsh operating conditions; ideal for applications such as transportation, custodial, public areas, and secure healthcare
