100 eco recessed	Australian Made and Owned EESS		
SVR100ECO-REC0700-FXD940100-WHT	RCM		
Extruded aluminium mounting base and security caps with durable polyester powder coat finish			
Impact-resistant UV-stabilised high-transmission polycarbonate light module diffuser	warranty 7-year standard		
Serviceable replaceable and upgradable light module cassette			
Internal socket drive security-torx 304 stainless steel security fasteners	10-year on application		
Integral energy efficient Zhaga compliant Tridonic LED modules and power supply unit			
Direct-fix or recessed butterfly bracket	standards		
Internal stainless steel wire safety lanyards			
1.0 m circular flex connection	AS/NZS 60598.1:2017		
	SVR100ECO-REC0700-FXD940100-WHT Extruded aluminium mounting base and security caps with durable polyester powder coat finish Impact-resistant UV-stabilised high-transmission polycarbonate light module diffuser Serviceable replaceable and upgradable light module cassette Internal socket drive security-torx 304 stainless steel security fasteners Integral energy efficient Zhaga compliant Tridonic LED modules and power supply unit Direct-fix or recessed butterfly bracket Internal stainless steel wire safety lanyards		

applications highly robust recessed luminaire that enhances safety and security in challenging environments. a durable construction ensures dependable operation and superior performance under harsh operating conditions; ideal for applications such as transportation, custodial, public areas, and secure healthcare
