100 eco recessed range SVR100ECO-REC2100-FXD827060-WHT product code description Extruded aluminium mounting base and security caps with durable polyester powder coat finish

hermetically sealed light module cassette

security torx tamper-proof fasteners

Impact-resistant UV-stabilised high-transmission polycarbonate light module diffuser

Serviceable replaceable and upgradable light module cassette Internal socket drive security-torx 304 stainless steel security fasteners Integral energy efficient Zhaga compliant Tridonic LED modules and power supply unit Direct-fix or recessed butterfly bracket

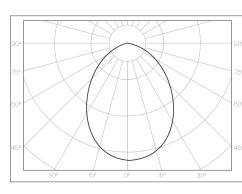

Internal stainless steel wire safety lanyards

1.0 m circular flex connection

125 joules impact resistance

applications highly robust recessed luminaire that enhances safety and security in challenging environments. a durable construction ensures dependable operation and superior performance under harsh operating conditions; ideal for applications such as transportation, custodial, public areas, and secure healthcare
