Australian Made and Owned

| IK15 | 125 joules impact resistance              |
|------|---|
| IP66 | hermetically sealed light module cassette |
| AT06 | security torx tamper-proof fasteners      |

| range        | 100 eco semi-recessed   |
|--------------|---|
| product code | SVR100ECO-SRE1000-FXD827060-WHT   |
| description  | Extruded aluminium mounting base with durable polyester powder coat finish and impact-resistant GRP security caps |
|              | Impact-resistant UV-stabilised high-transmission polycarbonate light<br>module diffuser                           |
|              | Serviceable replaceable and upgradable light module cassette  |
|              | Internal socket drive security-torx 304 stainless steel security fasteners  |
|              | Integral energy efficient Zhaga compliant Tridonic LED modules and power supply unit                              |
|              | Direct-fix or recessed butterfly bracket  |
|              | Internal stainless steel wire safety lanyards   |
|              | 1.0 m circular flex connection  |

applications highly robust semi-recessed luminaire that enhances safety and security in challenging environments. a durable construction ensures dependable operation and superior performance under harsh operating conditions; ideal for applications such as transportation, custodial, public areas, and secure healthcare
