

100 eco semi-recessed - SVR100ECO-SRE1200-FXD830040-WHT

125 joules impact resistance	country of origin
hermetically sealed light module cassette	Australia
security torx tamper-proof fasteners	
	accreditations

range	100 eco semi-recessed	F
product code	SVR100ECO-SRE1200-FXD830040-WHT	E
description	Extruded aluminium mounting base with durable polyester powder coat finish and impact-resistant GRP security caps	
	Impact-resistant UV-stabilised high-transmission polycarbonate light module diffuser	v
	Serviceable replaceable and upgradable light module cassette	7
	Internal socket drive security-torx 304 stainless steel security fasteners	1
	Integral energy efficient Zhaga compliant Tridonic LED modules and power supply unit	
	Direct-fix or recessed butterfly bracket	
	Internal stainless steel wire safety lanyards	S
	1.0 m circular flex connection	Δ

applications highly robust semi-recessed luminaire that enhances safety and security in challenging environments. a durable construction ensures dependable operation and superior performance under harsh operating conditions; ideal for applications such as transportation, custodial, public areas, and secure healthcare
