| IP66 | hermetically sealed light module cassette | Australia | | |
|--------------|--|------------------------------------|--|--|
| AT06 | security torx tamper-proof fasteners | | | |
| | | accreditations | | |
| range | 100 eco surface | Australian Made o DALI Alliance | | |
| product code | SVR100ECO-SUR1000-DA2940040-WHT | EESS | | |
| description | Extruded aluminium mounting base with durable polyester powder coat finish and impact-resistant GRP security caps | RCM | | |
| | Impact-resistant UV-stabilised high-transmission polycarbonate light module diffuser | | | |
| | Serviceable replaceable and upgradable light module cassette | warranty | | |
| | Internal socket drive security-torx 304 stainless steel security fasteners | 7-year standard | | |

Integral energy efficient Zhaga compliant Tridonic LED modules and power supply unit Direct-fix surface mounted

Internal stainless steel wire safety lanyards

1.0 m circular flex connection

125 joules impact resistance

applications highly robust surface mounted luminaire that enhances safety and security in challenging environments. a durable construction ensures dependable operation and superior performance under harsh operating conditions; ideal for applications such as transportation, custodial, public areas, and secure healthcare
