		Australia		
IP66	hermetically sealed light module cassette			
AT06	security torx tamper-proof fasteners			
		accreditations		
range	100 eco surface	Australian Made and Owned		
product code	SVR100ECO-SUR2100-DA2840040-BLK	DALI Alliance EESS		
description	Extruded aluminium mounting base with durable polyester powder coat finish and impact-resistant GRP security caps	RCM		
	Impact-resistant UV-stabilised high-transmission polycarbonate light module diffuser			
	Serviceable replaceable and upgradable light module cassette	warranty		
	Internal socket drive security-torx 304 stainless steel security fasteners	7-year standard		
	Integral energy efficient Zhaga compliant Tridonic LED modules and power	10-year on application		

Integral energy efficient Zhaga compliant Tridonic LED modules and power supply unit Direct-fix surface mounted Internal stainless steel wire safety lanyards 1.0 m circular flex connection

applications highly robust surface mounted luminaire that enhances safety and security in challenging environments. a durable construction ensures dependable operation and superior performance under harsh operating conditions; ideal for applications such as transportation, custodial, public areas, and secure healthcare

polar curve
