

100 eco suspended - SVR100ECO-SUS1500-FXD840040-WHT

(\cdot) (\mathbf{O})

IK15

IP66

125 joules impact resistance hermetically sealed light module cassette

- AT06 security torx tamper-proof fasteners
- range 100 eco suspended
- SVR100ECO-SUS1500-FXD840040-WHT product code description Extruded aluminium mounting base with durable polyester powder coat finish and impact-resistant GRP security caps Impact-resistant UV-stabilised high-transmission polycarbonate light module diffuser Serviceable replaceable and upgradable light module cassette Internal socket drive security-torx 304 stainless steel security fasteners Integral energy efficient Zhaga compliant Tridonic LED modules and power supply unit Heavy-gauge stainless steel wire suspensions Internal stainless steel wire safety lanyards
 - 1.0 m circular flex connection
- applications highly robust suspended luminaire that enhances safety and security in challenging environments. a durable construction ensures dependable operation and superior performance under harsh operating conditions; ideal for applications such as transportation, custodial, public areas, and secure healthcare
