

100 eco suspended - SVR100ECO-SUS2400-FXD927100-WHT

country of origin Australia

| IK15 | 125 joules impact resistance |
|------|-------------------------------------------|
| IP66 | hermetically sealed light module cassette |
| AT06 | security torx tamper-proof fasteners |

| range | 100 eco suspended |
|--------------|-------------------------------------------------------------------------------------------------------------------|
| product code | SVR100ECO-SUS2400-FXD927100-WHT |
| description | Extruded aluminium mounting base with durable polyester powder coat finish and impact-resistant GRP security caps |
| | Impact-resistant UV-stabilised high-transmission polycarbonate light module diffuser |
| | Service able replace able and upgradable light module equatte |

Serviceable replaceable and upgradable light module cassette Internal socket drive security-torx 304 stainless steel security fasteners Integral energy efficient Zhaga compliant Tridonic LED modules and power supply unit Heavy-gauge stainless steel wire suspensions

Internal stainless steel wire safety lanyards

1.0 m circular flex connection

applications highly robust suspended luminaire that enhances safety and security in challenging environments. a durable construction ensures dependable operation and superior performance under harsh operating conditions; ideal for applications such as transportation, custodial, public areas, and secure healthcare
