

# 100 eco suspended - SVR100ECO-SUS2600-FXD865080-WHT

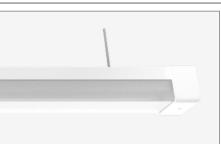

125 joules impact resistance hermetically sealed light module cassette

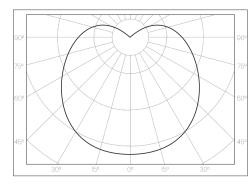

- AT06 security torx tamper-proof fasteners
- range 100 eco suspended

IK15

IP66

- SVR100ECO-SUS2600-FXD865080-WHT product code description Extruded aluminium mounting base with durable polyester powder coat finish and impact-resistant GRP security caps Impact-resistant UV-stabilised high-transmission polycarbonate light module diffuser Serviceable replaceable and upgradable light module cassette Internal socket drive security-torx 304 stainless steel security fasteners Integral energy efficient Zhaga compliant Tridonic LED modules and power supply unit
  - Heavy-gauge stainless steel wire suspensions Internal stainless steel wire safety lanyards 1.0 m circular flex connection
- applications highly robust suspended luminaire that enhances safety and security in challenging environments. a durable construction ensures dependable operation and superior performance under harsh operating conditions; ideal for applications such as transportation, custodial, public areas, and secure healthcare
